PUBLIC NOTICE

THE KWALE COUNTY ANNUAL DEVELOPMENT PLAN FINANCIAL YEAR 2026/2027

The budget making process for county governments in any financial year starts with integrated planning including both medium term and long-term planning. Section 126 of the Public Finance Management Act 2012 provides for the preparation of a development plan by every county government in accordance with the constitution. The County Government of Kwale is in the process of preparing the financial year 2026/2027 County Annual Development Plan. Section 115(1) of the County Governments Act 2012 states that public participation shall be mandatory in the county planning process. Further section 30(3)(g) of this Act, requires the Governor to promote and facilitate citizen participation in the development of policies and plans, and service delivery in the county.

Pursuant to these statutory provisions, the County Government of Kwale wishes to conduct public participation fora from 11th to 15th August, 2025 to gather views, proposals and other input for consideration in the County Annual Development Plan FY 2026/2027. Thereafter, the County Government of Kwale will hold a one day meeting to validate and prioritize the inputs and proposals from the wards on 20th August 2025 at the Kenya School of Government, Matuga. INTRODUCTION

Preparation of the **County Fiscal Strategy Paper (CFSP)** is guided by **Section 117** of the Public Finance Management Act (PFMA). The CFSP is a county government policy document that sets out the county's strategic priorities and policy objectives that will guide the preparation of the county budget for the coming financial year and over the medium term.

The County Fiscal Strategy Paper contains: (a) the broad strategic priorities and policy goals that will guide the county government in preparing its budget for the coming financial year and over the medium term (b) an assessment of the current state of the national economy including macro-economic forecasts (c) the financial outlook with respect to county government revenues, expenditures and borrowing for the financial year and over the medium term (d) the proposed expenditure ceilings for the county government departments and the Assembly (e) the fiscal responsibility principles and financial objectives over the medium term (f) statement of specific risks.

The preparation of the County Fiscal Strategy Paper is a consultative process that involves seeking and taking into account the views of the Commission on Revenue Allocation (CRA); the public; any other interested persons or groups; and any other forum that is established by the PFM Act 2012.

METHODOLOGY

The County Government invited various stakeholders including the general public to public participation held at the ward level from Tuesday 17th to Saturday 21st February 2026. Participants were given ample time to deliberate on the priorities proposed in the County Fiscal Strategy Paper. After the completion of the exercise, the team of participants from the County Government and the Non-state actors of the County Budget and Economic Forum convened to prepare a report of the public participation.

EXECUTIVE SUMMARY

The main issues which were observed in the public participation exercise include the following: -

Department/Sector	Main Concerns /Issues raised
Agriculture	Increase the allocation to the Agricultural sector to accommodate critical programmes such as distribution of seeds and seedlings
	Timely distribution of seedlings
	Monitoring and evaluation of county government programmes implementation
	Strengthen county extension and support services
