

COUNTY GOVERNMENT OF KWALE

COUNTY TREASURY

**COUNTY ANNUAL DEVELOPMENT PLAN (CADP)
PUBLIC PARTICIPATION REPORT FY2027-28**

AUGUST, 2026

FOREWORD

The Constitution of Kenya 2010 puts emphasis on integrated planning as the basis for budgeting and expenditure. Section 104(1) of the County Governments Act 2012 states that no public funds shall be appropriated outside a planning framework while section 107(2) of the Act postulates that county plans shall be the basis for all budgeting and spending in a county. According to section 108 of the County Governments Act 2012, county governments are required to prepare County Integrated Development Plans (CIDP) that are to be implemented through the Annual Development Plans (ADPs and the Medium-Term Expenditure Framework (MTEF). The County Annual Development Plan will provide a platform for linking county development priorities identified in the CIDP to the annual budget. The County Government of Kwale has started preparation of the County Annual Development Plan for FY 2027/2028, the last one in the implementation of the Third-Generation CIDP 2023-2027 in pursuant to these statutory laws.

Public participation is enshrined in the Constitution as among the principles of public finance management and good governance. The County Government conducted public participation fora from 10th to 14th August in the wards and later validation and prioritization of projects on the 18th August 2026 at the Kenya School of Government, Matuga. Various organizations took part in the meetings. Among the participants include local civil society organizations, development partners, interested groups and the general public. The general public was represented by two representatives selected from each village unit at the validation meeting. This report gives a record of the views by the public and other participants and also the prioritized projects for each department to be incorporated in the FY 2027/2028 CADP.

Our fiscal plan for the FY 2027/2028 anticipates resource envelope amounting to **Ksh.10.6 billion**. Out of this, **Ksh 3.2 billion (about 30 percent)** will be allocated to undertake development projects in the county. Though our priorities still remain to be vast compared to the available fiscal space, we will strive to ensure optimal allocation of resources to enhance inclusivity and equitable development.

CPA BAKARI HASSAN SEBE

EXECUTIVE MEMBER EXECUTIVE SERVICES, FINANCE & ECONOMIC PLANNING

ACKNOWLEDGEMENT

The County Government of Kwale conducted public participation in preparation of the County Annual Development Plan as a requirement of the law. The public meetings were held at the ward level but with representation from the village units. Public participation in the planning process is mandatory as per section 115 (1) of the County Governments Act 2012.

As usual, undertaking of public participation for the annual development plan preparation has been a collaborative effort of all departments of the county government. We are grateful to all the departments for their cooperation. I want to acknowledge the efforts made by the technical team comprised of officers from the county departments. Special gratitude goes to the County Budget and Economic Planning team from the office of the Director, Economic Planning and Budgeting for spending much of their time in consolidating the views and developing content for this report. Many thanks also go to the Non-State actors of the County Budget and Economic Forum for their mobilization of the citizens and active participation in the fora. Finally, I want to thank the staff of the Public Service and Administration department including the Sub-County, Ward and Village Administrators for the good organization of the meetings and making the entire exercise successful.

A handwritten signature in blue ink, appearing to be 'Alex Onduko', is written over a faint horizontal line.

NOTICE

PUBLIC PARTICIPATION FOR THE KWALE COUNTY ANNUAL DEVELOPMENT PLAN FINANCIAL YEAR 2027/2028

According to section 104(1) of the County Governments Act 2012, a county government shall plan for the county and no public funds shall be appropriated outside a planning framework developed by the county executive committee and approved by the county assembly. Pursuant to this statutory provision, the County Government of Kwale has commenced the process of preparing the county annual development plan for financial year 2027/2028. In line with the spirit of Article 201(a) of the Constitution of Kenya 2010 and section 115(1) of the County Governments Act 2012, the County Government of Kwale wishes to invite all stakeholders to public participation meetings to be held in all the county wards as detailed below: -

Date	Time	Ward	Venue

COUNTY ANNUAL DEVELOPMENT PLAN (CADP) FY2027/2028 PUBLIC PARTICIPATION REPORT

LEGAL BASIS FOR THE PREPARATION OF COUNTY ANNUAL DEVELOPMENT PLAN (CADP)

Section 126 of the Public Finance Management (PFM) Act, 2012, states that:-

(1) Every county government shall prepare a development plan in accordance with Article 220(2) of the Constitution, that includes—

- (a) strategic priorities for the medium term that reflect the county government's priorities and plans;
- (b) a description of how the county government is responding to changes in the financial and economic environment;
- (c) programmes to be delivered with details for each programme of—
 - (i) the strategic priorities to which the programme will contribute;
 - (ii) the services or goods to be provided;
 - (iii) measurable indicators of performance where feasible; and
 - (iv) the budget allocated to the programme;
- (d) payments to be made on behalf of the county government, including details of any grants, benefits and subsidies that are to be paid;
- (e) a description of significant capital developments;
- (f) a detailed description of proposals with respect to the development of physical, intellectual, human and other resources of the county, including measurable indicators where those are feasible;
- (g) a summary budget in the format required by regulations; and
- (h) such other matters as may be required by the Constitution or this Act.

(2) The County Executive Committee member responsible for planning shall prepare the development plan in accordance with the format prescribed by regulations.

(3) The County Executive Committee member responsible for planning shall, not later than the 1st September in each year, submit the development plan to the county assembly for its approval, and send a copy to the Commission on Revenue Allocation and the National Treasury.

(4) The County Executive Committee member responsible for planning shall publish and publicise the annual development plan within seven days after its submission to the county assembly.
